Fluid height based on browser height (optional); for the minicart with overlay treatment, we recommend leaving 10 pixels between the bottom of the minicart and the bottom of the browser

The Lee Jeans product page features a persistent minicart overlay. The minicart contains three items: two black vests and one red vest, each with a quantity of 1 and a price of \$29.00 and \$19.00 respectively. The total item subtotal is \$58.00. A large image of a pair of jeans is the central focus of the page.

for dropdown minicart max height 431px

The Timberland product page shows a persistent minicart overlay containing six items: two black vests, one red vest, one grey long-sleeve shirt, one blue water-proof jacket, and one grey winter long-sleeve shirt. The total item subtotal is \$178.00. The Timberland logo and navigation menu are visible at the top of the page.
